

Полные правила акции

С 2011 года «Макдоналдс» закупает только рыбу, сертифицированную в соответствии со стандартами экологически рационального рыболовства MSC (Marine Stewardship Council — Морского попечительского совета). Эко маркировка MCS подтверждает, что рыбопромысловые компании используют экологически рациональные методы рыболовства.

Победителей смотрите в группе Макдоналдс на Facebook
