Russian Elections 'Far From Free and Fair,' Say Monitors

Russia — 3 hours ago

Russia's parliamentary elections were “far from truly free and fair,” the independent election monitoring group Golos reported Monday. The elections had saw substantial improvements on 2011, but the country still faced a “long and difficult ...

Election 2016; Russia's war on Greenpeace; Growing pressure on Levada

Opinion — [3 days ago](#)

The State Duma elections of Sept. 18, 2016 reflect a number of tendencies in contemporary Russian politics. Although critics dismiss them as little more than an exercise in managed representation, in fact they indicate attempts to modify the relationship between the state and society, although ...

Moscow TV Round-Up: White Sun of the Desert, Hipsters and The World of Czeslaw Milosz

Moscow — 8 hours ago

Appalled or enthralled by Sunday's election results, Moscow TV offers viewers much to enjoy as you decompress this week, including great music (modern, classical and bebop), a trans-European Nobel laureate,

Soviet nostalgia that actually works and the best “Borshcht Western” you’ll find east of Dodge City. Here’s your what and when.
